GOVERNMENT'S RESPONSE TO DEFENDANT'S MOTION FOR BOND

Comes now the United States of America, by Sayler A. Fleming, United States Attorney for the Eastern District of Missouri, and Tracy Lynn Berry, Assistant United States Attorney for said District, and concurs with Defendant's motion for continuation of bond pending sentencing.

While the defendant has been counseled for her possession of multiple cellphones on June 30, 2021 and July 27, 2021, the Government does not possess any evidence that she poses a risk of flight or is a danger to the community. DCD 25; DCD 29; 18 U.S.C. § 3143(a)(1). When coupled with Defendant's age and medical condition, the Government concurs with defense counsel's request that Defendant be allowed to remain on the current conditions of release pending the sentencing hearing.

Accordingly, the Government requests that Defendant be permitted to remain on her

current bond.

Respectfully submitted,

SAYLER A. FLEMING
United States Attorney
